(m) Participant agrees that all applications it submits for Servicer's purchase of Mortgage Loans will be considered on a first-come first-served basis without regard to the race, color, ancestry, national origin, religion, gender, family status or physical handicap of the Eligible Borrower.

4. Tax-Exempt Bond Funding

The following provisions are meant to qualify the Mortgage Loans as eligible costs for tax-exempt bond purposes:

- (a) Participant (including a related person thereof, within the meaning of Section 147(a)(2) of the Code) shall not, pursuant to any arrangement, formal or informal, purchase Bonds in an amount related to the amount of Mortgage Loans originated by Participant under the Agency's Homebuyer Program.
- (b) Participant shall use reasonable diligence to originate Mortgage Loans in Target Areas. Such reasonable diligence shall include, but is not limited to, periodic advertisements by Participant in newspapers or other media regarding the availability of mortgage funds for persons intending to purchase Residences in Target Areas.
- (c) Participant must ascertain, that the Mortgagor intends to occupy the related Residence within sixty (60) days of the date the Mortgage Note is executed and thereafter intends to maintain the property as his/her principal place of residence. Participant must require the Mortgagor to execute the Mortgagor's Certification included in the Program Guidelines, and must require that the Mortgagor acknowledges that in the event that at a later date the Residence is no longer the principal place of residence of the Mortgagor that the Mortgage Note may be accelerated and due in full.
- (d) If the Mortgagor did not file federal income tax returns for any year, Participant shall cause the Mortgagor to execute an affidavit and certification to that effect.
- (e) Participant shall verify that no part of the Mortgage Loan proceeds are used to acquire or replace an existing mortgage, and the Mortgage Loan must be to persons who did not have a mortgage (whether or not paid off) on the Residence securing the Mortgage Note at any time prior to the execution of the Mortgage; except that if Agency so permits Mortgagor could have a construction period loan or similar temporary initial financing of twenty-four (24) months or less with respect to the Residence securing the Mortgage Note and can use the proceeds of the Mortgage Note to repay such financing. Additionally, the Down Payment Assistance may be used only for the purpose of paying closing costs and to assist the Mortgagor with any down payment requirements. Participant must require an affidavit of the Mortgagor that this Section has been complied with.
- (f) The Residence contains no more than four (4) dwelling units, one of which shall be occupied by the Mortgagor. If the Residence contains two or more dwelling units, Mortgagor must include rental income (seventy-five percent (75%) of gross income) as part of Family Income and the Residence must have been completed and occupied as a Residence at least five (5) years before the Mortgage therefor was executed.
- (g) Each person executing the Mortgage (not the Mortgage Note) and to whom financing is provided by the Mortgage Note must be a First Time Homebuyer, unless the financing is eligible for a First Time Homebuyer Exception. Each such person must be an Eligible Borrower. In the event that there is more than one Mortgagor executing the Mortgage with respect to a particular residence, each of such Mortgagors must be an Eligible Borrower. A person who is liable under the Mortgage Note secured by the Mortgage but who does not have a present ownership interest in the Residence subject to the Mortgage need not be an Eligible Borrower. (For example, where a parent of a home purchaser cosigns the Mortgage Note for a child, but the parent takes no interest in nor will

reside in the Residence, it is not necessary that the parent be an Eligible Borrower.) Examples of interests which constitute present ownership interests (and thus would result in a potential home purchaser failing to meet the First Time Homebuyer requirements) are the following:

- (i) A fee simple interest;
- (ii) A joint tenancy, a tenancy in common, or tenancy by the entirety;
- (iii) The interest of a tenant-shareholder in a cooperative;
- (iv) A life estate;
- (v) A land contract of twenty-five (25) months (i.e., a contract pursuant to which possession and the benefits and burdens of ownership are transferred although legal title is not transferred until some later time) or more;
- (vi) An interest held in trust for the Mortgagor (whether or not created by the Mortgagor) that would constitute a present ownership interest if held directly by the Mortgagor;
- (vii) A lease with an option to purchase for a nominal sum; and
- (viii) A devisee of a deceased Mortgagor who's Mortgage Loan relates to a prior Agency Program and is not located in a Target Area and who is residing in the Residence.

Examples of interests which do not constitute present ownership interests (and thus would not result in a potential home purchaser failing to meet the First Time Homebuyer requirements) are the following:

- (i) A remainder interest;
 - (ii) A lease without an option to purchase;
 - (iii) A mere expectancy to inherit an interest in a principal Residence;
 - (iv) The interest that a purchaser of a Residence acquires on the execution of a purchase contract; and
 - (v) An interest in other than a principal Residence during the previous three years
- (h) Participant may charge and collect reasonable fees as outlined in the Term Sheets but shall not exceed like amounts charged in such area in cases where owner financing is not provided through tax-exempt revenue bonds

5. Repurchase of Loans.

Any Mortgage Loan purchased by Servicer for which documents are subsequently found to be defective must be repurchased by Participant in accordance with the provisions set forth in the Participating Lender Agreement.

6. Down Payment Assistance Grants and Loans and Repurchase of Grants and Loans.

(a) Participant may originate and seek reimbursement for Down Payment Assistance Grants or Loans to the Servicer, and Servicer will purchase such Down Payment Assistance Grants or Loans from Participant subject to the terms and conditions set forth in this Agreement, including without limitation, the terms and conditions set forth in the Program Guidelines.

(b) In the event that Participant originates a Mortgage Loan that also has a Down Payment Assistance Grant or Loan with it, and the Mortgage Loan cannot be purchased by Servicer, the Participant may submit the Down Payment Assistance Grant or Loan to the Agency to be purchased by the Agency in accordance with the procedures defined in the Program Guidelines; for each occurrence of this event, an administration fee will be charged to the Participant.

7. Indemnification.

Participant agrees to defend, indemnify and hold Agency harmless from and in respect to, or proximately resulting from, any claims, losses, expenses (including reasonable attorney's fees), costs, obligations and liabilities which result from:

(a) Any untrue or incorrect representation, warranty or covenant of Participant contained herein:

(b) The repudiation, breach or default by Participant of any representation, warranty or covenant of this Agreement;

(c) Any inaccuracy or incompleteness in the Mortgage Loan Documents or any act or omission by the Participant, its agents and employees, for failure to comply with applicable state, federal and local statutes or regulations in completing the Mortgage Loan Documents;

8. Term of Agreement.

This Agreement shall be in full force and effect from the latest date both parties have executed this Agreement and shall continue in effect until December 31, 2018, unless the term of this Agreement is changed or the Agreement is terminated in accordance with the provisions of the Agreement. The parties to this Agreement may elect to renew this Agreement under the same terms and conditions for a twelve month renewal period until December 31, 2019 to allow both parties to agree upon the terms of a subsequent agreement. Such additional renewal may be evidenced by an extension form on the Lender Portal.

9. Suspension of the Agreement.

In the event that Participant fails to perform satisfactorily any requirements of this Agreement, fails to use reasonable diligence in its performance of this Agreement, maintains extensive outstanding extension fees or has excessive loan cancellations, the Agency may immediately suspend the Participant from reserving any additional loans in accordance with the Term Sheets after providing Participant with written notice (the "Suspension Notice").

The Suspension Notice shall provide Participant detailed information regarding the reasons for such suspension and the actions that the Participant will need to take in order to continue to participate in the Agency Homebuyer Program. At all times during this period of time, Participant will continue to process Mortgage Loans that have already been enrolled in the Agency Homebuyer Program as required under the Program Guidelines. Should the Participant be unable to comply with the terms of the Suspension Notice, the Participant will not be able to enroll any new Mortgage Loans in the Agency Homebuyer Program, but it will continue to be required to continue its operations as required in the Suspension Notice and the Program Guidelines. A Termination Notice shall be sent to Participant as outlined in Section 10.

10. Termination of Agreement.

In the event Participant fails to perform satisfactorily any requirements of this Agreement or fails to use reasonable diligence in its performance of this Agreement, the Agency may terminate this Agreement after providing Participant with written notice (the "Termination Notice"). The Termination Notice shall provide Participant with a thirty (30) day period to cure any and all defaults under this Agreement as set forth in the Notice. During the thirty day cure period, Participant shall continue its operations and achieve compliance as set forth in the Notice.

In the event that Participant is not able to cure the defaults as set forth in the Notice, the Agreement shall be terminated. If any further action is required of Participant to close out this relationship, those items shall be set forth in detail in the Termination Notice.

Participant may terminate this Agreement upon thirty (30) days written notice to Agency.

11. Miscellaneous Provisions.

(a) Any amendment to this Agreement shall apply to all Participants. Either party may at any time during the term of this Agreement request amendments or modifications. Requests for amendment or modification of this Agreement shall be in writing and shall specify the requested changes and the justification of such changes. Should the parties consent to modification of the Agreement, then an amendment shall be drawn, approved and executed in the same manner as the original agreement.

(b) This Agreement shall be construed in accordance with the laws of the State, and the obligations, rights and remedies of the parties hereunder shall be determined in accordance with such laws.

(c) All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when delivered by electronic transmission or mailed by

certified or registered mail, postage prepaid, return receipt requested, and addressed to the appropriate Notice Address.

(d) In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

(e) To the extent permitted by law, Participant agrees that it will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for carrying out the intention of or facilitating the performance of this Agreement.

(f) Participant and Agency acknowledge that a primary purpose for requiring compliance by Participant with this Agreement is to originate Mortgage Loans for sale to Servicer and that Servicer, who is declared to be a third party beneficiary of this Agreement, shall be entitled for any breach of the provisions hereof to all remedies, both at law and in equity, in the event of any default hereunder.

(g) Nothing in this Agreement shall confer any right upon any person other than Agency, Servicer and Participant. Participant hereby agrees that notwithstanding any other provisions of this Agreement, under no circumstances shall this Agreement or the relationship among Agency, Servicer and Participant created thereby be construed as creating a fiduciary relationship between Agency and Participant or as granting to, or creating in, Participant any legal or equitable interests right or title in, or to any funds or accounts created under, any indenture for the Bonds.

(h) All of the covenants, agreements, representations and warranties made hereby by the parties shall survive and continue in effect after the termination of this Agreement or the consummation of the transactions contemplated thereby. This Agreement may be executed in counterparts, all of which taken together shall constitute one and the same instrument.

(i) This Agreement, together with the items incorporated by reference pursuant to Section 1(c) hereof, contains the entire agreement of the parties respecting the sale and purchase of the Mortgage Loans and the Participant's participation in the Agency's Homebuyer Program and supersedes all prior agreements among the parties respecting the sale and purchase of the Mortgage Loans and the Participant's participation in the Agency's Homebuyer Program. The Parties hereto have voluntarily agreed to define their rights, liabilities and obligations respecting with sale and purchase of the Mortgage Loans exclusively in contract pursuant to the express terms and provisions of this Agreement and the parties hereto expressly disclaim that they are owed any duties or are entitled to any remedies not expressly set forth in this Agreement.

(j) No past, present or future director, officer, employee, incorporator, member, partner, stockholder, affiliate, agency, attorney or representative of the Participant or any of their respective affiliates shall have any personal liability (whether in contract or tort) for any obligations or liabilities of the Participant arising under, in connection with or

related to this Agreement or for any claim based on, in respect of, or by reason of the sale and purchase of the Mortgage Loans and the Participant's participation in the Agency HomeBuyer Program, including without limitation, any alleged non-disclosure or misrepresentation by any such persons.
